

Wood Play Holiday Woodworking Workshops

Seeking a creative and fun activity for your children these September school holidays? Then check out these two weeks of Holiday Woodworking Workshops at the Wood Play Studio in Coburg.

Starting Monday September 21, Wood Play is offering two weeks of woodworking workshops at our studio 69 Charles Street Coburg. During these two and a half hour workshops, participants will design and make projects of their own creation using hand tools including pull saws, fret saws, planes and spokeshaves.

The best part about these holiday workshops is that participants can get woodworking as much as they want! To ensure the best experience and enough time to create and complete their pieces, Wood Play recommends participants complete a minimum of two or three consecutive workshops each week.

- 2 x weeks of holiday workshops 2.5 hours long (see timetable below)
- Both beginners and more experienced makers welcome
- Suitable for ages 6 to 15 years +
- \$66 inc gst per workshop plus materials**
- Only 5 places available in each workshop

***a small material fee will be charged dependent on the number of workshops attended*

About Wood Play Studio

Wood Play Studio is a woodworking workshop for young people located in the heart of Coburg. We have a fully equipped workshop featuring traditional hand tools, electric hand tools, benches of all sizes and woodworking machinery.

Wood Play offers regular woodworking courses covering design, technical drawing, the safe use of hand and electric tools, construction and finishing. In addition to practical skills, studio participants build self-confidence and strengthen personal skills including creativity, problem solving, collaboration and teamwork.

Places are limited so avoid disappointment by contacting John Madden via email at hello@woodplaystudio.com.au to book your child's holiday bench space.
